

Freedom of Information Request Number: FOI 5952

1. How many employees are working in the organisation?
318
2. Do you have an annual Intranet budget, and if so what is it?
£9,480 budget for 18/19 for intranet
3. If not, what is your annual IT budget for software?
N/A
4. What is your current Intranet solution and how long has it been in use?
West Hampshire CCG's Intranet and Internet solutions are provided by Verse One Technologies. The company was selected in 2016 following an Options Appraisal process initially carried out in 2014, but postponed due to cost pressures.
The current internet and intranet sites went live in January 2017. The CCG is charged an annual maintenance fee [as answered in Q2] for on-going support and updates on both sites.
5. Who is responsible for managing your Intranet? and what are their contact details?
The CCG's Communication and Engagement Team is responsible for the management of the Intranet with support from Verse One Technologies. The team's contact details are available on the Internet.
6. Who are the key stakeholders responsible for the procurement of your Intranet?
The Communication and Engagement Team led the selection process for the provider of the Internet and Intranet, sponsored by the Chief Officer.
7. Do you have a digital workplace strategy?
We have a CCG digital strategy and policies in place to support staff with the use of technology at work.
