

Freedom of Information Request Number: FOI 6127 – Brain Injury

**1. What services do you commission, either solely or in conjunction with neighbouring CCGs, for people living with acquired brain injury whom have:  
(a) Been discharged from an acute setting  
(b) Been identified by primary care practitioners as requiring referral for rehabilitation and/ or other services**

Specialist Rehabilitation placements and bespoke at home services for the non-unitary CCGs in Hampshire, and for the Isle of Wight CCG. Providers include:

- Glenside NRU NBU
- Holy Cross Hospital
- Shelley Park
- TRU
- Royal Hospital for Neurodisability
- Oxford Centre for Enablement (OCE)
- Peartree Rehabilitation
- Circle Rehabilitation
- Hobbs
- Kerwin Court
- Bagshot Park
- Ascot Rehabilitation
- Elm Park
- Burton Park
- Kite Unit
- Snowdon Unit

Requests for post acute rehabilitation are managed through the IFR process

**2. Have the services you commission changed in the last 12 months? If yes, in what way?**

The CCG completes regular scoping of new providers on the market, and has extended services to use Shelley Park and OCE in the last 12 months.

**3. Are there any plans to change the services you commission during the next 12 months? If yes, what are the changes?**

The CCG is planning an ABI procurement to improve our commissioning of services in 19/20.

**4. Do you have a neurological lead and/or an acquired brain injury lead? If so, please provide details.**

Complex Brain Injury Commissioning Manager Rakhee Jethwa  
Neurological Lead for West Hampshire Dr Neeraj Sonpal
