

Prescribing and Medicines Optimisation Guidance (16)

Date: 8th June 2020

Electronic Repeat Dispensing (eRD) webinars

Wessex AHSN are planning to run eRD webinars every Thursday over the next few weeks to help GP practices who have yet to implement eRD.

Thursday 11th June - <https://www.eventbrite.co.uk/e/erd-webinar-tickets-107680378912>

Thursday 18th June - <https://www.eventbrite.co.uk/e/erd-webinar-tickets-107680796160>

The webinars will cover background and benefits of eRD, how to implement eRD (PDSA cycle and step-by-step instructions) and Q&A -questions to the panel.

Please join via the 'Teams' link, as you would for any 'Teams' meeting.

You are kindly asked to follow the protocol below when using Teams in this session. If you hover your cursor over the bottom half of the screen, a bar of actions will appear.

On joining, please ensure you are set to 'mute' and ensure your own camera is off.

The 'chat box' function will be used to capture any questions and will be fed-back to the presenting panel by meeting moderators. Your question will be visible to all attendees.

PLEASE NOTE: The meeting will be recorded for circulation. Attendance indicates consent to recording

Southampton Medicines Advice Service (SMAS)

Based at University Hospital Southampton

SMAS has reverted back to using their original phone numbers:

023 8120 6908 or **023 8120 6909** for healthcare professionals.

Currently the service is open between 9am and 6:30pm Monday to Friday.

If you have any problems getting through to the service, contact your Medicines Optimisation Team who will be able to raise the issue with SMAS.
