

Please identify the correct person within your CCG who is responsible for information regarding Section 117 aftercare - this may be the S117 commissioner / Commissioning Support Unit / Continuing Health Care commissioners			Enilson Mateus, Senior Commissioning Manager – Learning Disability and Placements West Hampshire CCG and The Hampshire CCG Partnership
S117 places an enforceable duty on both Health (Clinical Commissioning Group (CCG)) and Social (Local Authority/Council (LA)) Services to provide aftercare services to individuals on discharge from hospital. This request is to better understand how CCGs meet this duty.			
	Please indicate which	Comments	
For each of the following questions, If the answers are different or you have different policies for different groups (e.g. Older Peoples Mental Health, Learning Disability etc) please provide a response for each group.			
1	Please provide a copy of your policy, framework, protocol, or process map for the funding of S117 aftercare?	Y	Attached to E mail
2	Do you apply a generic split (or pooled budget) for S117 aftercare costs? e.g. a 50:50 or other specific split of costs between LA & CCG? If YES please specify the respective shares?	Y Split	All placements are split 50:50 those for OPMH cases are then reviewed at 8 weeks and an ongoing funding split agreed
3	If the share of costs between the CCG and LA are, instead, agreed on a case by case basis, please provide a copy of the criteria / tools used to achieve this		AMH cases remain 50:50 funded. OPMH cases are reviewed and an ongoing split agreed (tool attached to E mail)
4	Where funding shares are agreed on a case by case, how often are these shares applicable in individual cases reviewed?		Both HCC and the CCG review annually and funding splits discussed where it is felt that there is a need for this to be reviewed
5	Does the total cost identified for joint funding under S117 aftercare arrangements include the costs of universal health service provision (e.g. GP & primary care services, , community nursing and costs of medications etc.)? If so please advise what is specifically included or excluded.	N	Section 117 aftercare funding only covers the identified s117 eligible needs, as defined by the mental health act 1983. Other services such as primary care are commissioned separately and are not related to section 117 aftercare
6	When S117 aftercare requires placement in a Nursing Home, with support from a Registered Nurse for their mental health needs, is the CCG share of costs based on a total cost which includes FNC contribution or is FNC excluded from the total cost before that cost is apportioned?		FNC is included in the CCG share
